Idyllwild Performance--Thursday the 26th Beat the Heat and Travel with CVS From Palms to Pines.....

President's Message

Welcome to the first edition of the CVS Newsletter. This on-line medium will keep you "in tune" with current and up-coming events of all three of our programs: The Coachella Valley Symphony (CVS), Buddy Rogers Youth Symphony (BRYs), and the Beginning Strings Conservatory (BSC).

Some of you may have noticed in a June edition of *The Desert Sun* newspaper, or on our local CBS Channel 2, that CVS was the recipient of the Coachella Valley Spotlight Award. This award came with financial support in the form of a \$25,000 check from the H.N. & Frances C. Berger Foundation. The funding will support our efforts to market our trio of programs to the citizens of the communities that comprise the Coachella Valley.

We will keep you informed throughout our new 2012-2013 concert season of the various ways in which this award will benefit our CVS organization.

I look forward to seeing you at the concert in Idyllwild on Thursday.

Drive safely,

Dr. David Wolfe,
President

Escape the desert heat and enjoy the lovely pine-scented mountains of Idyllwild.

Join the Coachella Valley Symphony for a family and pet-friendly evening of music under the stars at the outdoor Idyllwild Community Center at 7 pm **THIS Thursday, July 26th**. We will be playing a potpourri of classical, pop, and jazz selections.

You will need to bring a chair and a jacket in case it gets cool (it could get down into the 60s). This event is free to the public, although donations are accepted to help defray the costs of producing this concert.

The *Idyllwild Town Crier* published a nice article after speaking with Maestro Wayne Abravanel. Just click on the link below to read the interview or copy and paste it into a new browser.
