

**THE COACHELLA VALLEY SYMPHONY & THE BUDDY ROGERS YOUTH SYMPHONY
ANNOUNCE THEIR 2016-17 CONCERT SEASON**

The Coachella Valley Symphony is proud to announce their 24th season as *Your Community Orchestra*. This volunteer orchestra serves our community from both sides of the stage. On stage we feature local adult and youth musicians. We provide free instruction for the Buddy Rogers Youth Symphony as well as additional mentorship and scholarships. We are also committed to serving the community by providing affordable concerts for audience members.

This year's season title, "***It's Magic,***" describes what we do on so many levels. Bringing together a diverse group of volunteers and providing a professional level musical experience to both musicians and audience members is magic! Watching our youth develop musical talent and a life-long love of music is magic! ***Please join us and be part of the magic!***
